

Patronage Options

for online* Yoga with Pippa

Reflected in the economically-accessible monthly pricing in our first two options (\$10, \$30) and the above average pricing for our single class pass (\$20), is the encouragement to motivate your practice by enrolling in our monthly automated billing cycle for whichever option you choose when signing up as a patron. This provides you with motivation and consistency and us with predictability.

The Options below are available at SteppingStoneYoga.com.

These monthly subscriptions can be cancelled, upgraded, and/or downgraded at any time:

- ["WE ARE ONE"](#)

\$10 monthly

Choose a class to drop into 1x per month

This is for those of you who would like to continue to practice with Pippa but may also wish to explore other styles of Yoga and teachers. This is very much like the “drop-in” model but you **commit** to a monthly billing cycle of one class with me per month. Pre-registration to class is required for this option.

- ["TOGETHER WE MOTIVATE"](#)

\$30 monthly

Unlimited attendance for weekly online classes.

The second option is the most economic and simple way of joining classes with me as it includes unlimited attendance at my weekly offerings and no pre-registration requirement.

- **"TIME TO INSPIRE"**

\$70 monthly

Unlimited attendance to weekly classes plus one optional private per month.

This option is really nice for those who have enjoyed one-on-one sessions with Pippa or wish to start up. A 60-minute private session alone costs \$75, so this option allows you to have a private plus unlimited attendance at group classes for \$5 less than just one private session.

Private sessions are monthly and non-cumulative should you miss one. Timing arrangements are made with Pippa at SacredintheRound@gmail.com

- **"LOVE, RESPECT & GRATITUDE"**

\$150 monthly

unlimited attendance to classes plus two optional privates per month.

Both the third and forth options include one-on-one sessions as well as attendance at our group sessions, but also allow for those of you who are financially able, to pay more for these offerings even if you do not want to participate in one-on-one sessions and/or wish only to attend the private sessions.

Private sessions are monthly and non-cumulative should you miss one. Timing arrangements are made with Pippa at SacredintheRound@gmail.com
